NEWSLETTER (1ST QUARTER-2019) VOL. 1 ISSUE 1

MESSAGE FROM THE DIRECTOR

Government of Tripura
DIRECTORATE OF HIGHER EDUCATION
1st Floor, Shiksha Bhawan, Office Lane, Agartala-799001

I am very pleased to know that Women's Polytechnic is bringing out their first issue of quarterly Newsletter. This newsletter will be the mirror of the activities and achievements of the institution. Women's Polytechnic is the only technical institution in the state of Tripura providing technical education to a large number of young women. The endeavours taken by the Institution regarding academic and co-curricular activities are really commendable.

The quarterly newsletter published by the Institution is also a good way to uphold the activities all around the year. This attempt is going to set a good example for other Polytechnic institutions in Tripura. I congratulate everyone associated with this novel work and wish a great success to this quarterly Newsletter.

(SAJU VAHEED A, IAS)
Director, Higher Education
