

NEWSLETTER

Vol. 2 , Issue: 1. (Jan-June, 2020)

FROM THE PRINCIPAL'S DESK

It is amazing to share that the newsletter of Women's Polytechnic, Hapania has completed one year. But due to COVID-19 Pandemic, the 5th issue could not be published in time so, this issue of quarterly Newsletter actually covers a span of six months (From Jan-June, 2020). I am delighted by the efforts of all the staff, students and faculty members of the institute during pre and post LOCKDOWN period not only in academic affairs but also for social causes. Thanks are due to the editorial team to bring out the current issue.
