NEWSLETTER

VOL: 2, ISSUE: 2 (JUL-SEPT, 2020)

FROM THE PRINCIPAL'S DESK

I am delighted to know that the second issue of the newsletter of Women's Polytechnic is ready amid COVID-19 Pandemic. Normal Academic and administrative activities including physical Classroom activities were greatly disturbed. Most of the activities continued in virtual mode, so it is obvious the online activities will be primarily showcased in this issue. The faculty members and the supporting staff of the institute performed their duties abiding by government health advisories. I pray to almighty that the Pandemic will come to an end soon and we all shall come back to old wave of happy, active and prosperous life.
